In a continuing effort to reach those in need, Zion has accepted another opportunity. **Donate your old eyeglasses through Medical Missions Outreach.** MMO will recycle your used glasses and get them in the hands of someone who will be so thankful. These glasses go to underdeveloped communities all over the world. A collection box is available in the entry next to the Loaves and Fishes donation tubs. Any questions, please contact Fred Bierlein 269.806.1430.

**Kids and Handbells!** Some of our Midweek Kids nights include learning about handbells and actually playing songs! We would love to get to the point where they play a song in a worship service but we need some consistency at the practices in order to make that happen. "Midweek Kids" happens every Wednesday from 6:15-7:15pm but the handbells will be 11/8. Other weeks include art, crafts, drama, and movement activities. We hope you can find time to join our Midweek Kids and especially our young ringers!

**We have TWO new parenting study options!!! Sunday, November 12th at 9:15am** we welcome parents with kids who are younger than 2 years old to meet in the Nursery downstairs. Parents can network and find support with other parents in this category, as well as hear about how they can influence their household of faith. This group will only meet once a month to start out.

Also on **Sunday's at 9:15am join John and Candy Buetow** down in B101 for a study on "Intentional Parenting" the next 4 weeks. This study takes us through some practical suggestions as well as reframes the parent mindset. Discussion will be great! This study is for parents with kids aged 0-18.

Watch for another possible midweek opportunity forming as well.
